Re: The Jerzey Derby Brigade Donation

Dear Sir or Madam:

I am pleased to donate these bags of clothing and household goods to your organization on behalf of Morristown's local women's roller derby league, the Jerzey Derby Brigade. We are donating these items in honor of my father, John Payet Valandingham, a Viet Nam veteran currently residing in Bogota, New Jersey. It is because of warriors like my dad that America remains a great country. We thank him and the other men and woman whose selfless service and brave actions continue to protect our nation. We are proud to support the local AMVETS.

Very truly yours,

JERZEY DERBY BRIGADE
