Dear Friends from Jerzey Derby Brigade,

Well, we made it! With the help of our many wonderful friends, like you, we were able to distribute more than 1,100 Thanksgiving Baskets complete with turkeys and even 3 tofu birds for our vegan clients! All this, while still giving out more than 14,000 pounds of food each week during our regular food distributions. Our 4th Annual Thanksgiving Turkey Trot 5K is also complete and we had a record 2,200 runners this year. As you can imagine, November was an amazing month!

Now we are on to our December holiday baskets and trying to keep up with the constant demand for food assistance. Thank you so very much for your recent donation of \$200.00 and 79 pounds of food. No goods or services were provided in exchange for your contribution. While we are always grateful for what we receive, we especially want to thank you for thinking of your neighbors during this holiday season. Your gift will help us meet the need.

Together we provide a significant impact on the lives of our many neighbors who live constantly with the worry of not having enough food for their families. Neighbors helping neighbors is a wonderful concept that has come to life through your caring and generous donation!

Happy Holidays!

Warm Regards,

Rosemary Gilmartin
Executive Director
